Women Will Not Pay Poll Tax

Many opponents to woman suffrage before and after the recent election declared that the adoption of the amendment allowing women to vote would carry with it the added responsibility of paying poll tax. This, however, is not true.

The right of Suffrage was given by the adoption of an amendment to Section 1 of Article 2 of the Constitution of California, and which amendment consisted of eliminating the word "male." Women could not be allowed the right of suffrage without the adoption of the amendment.

The liability of poll tax is fixed also by the Constitution of the state. Section 12 of Article 12 of the Constitution of the State of California reads as follows:

"The Legislature shall provide for the levy and collection of an annual poll tax of not less than two dollars, on every male inhabitant of this state, over twenty-one and under sixty years of age, except paupers, idiots, insane persons and Indians not taxed. Such tax shall be paid into the State school fund."

So it will be readily seen that the women will not and cannot be required to pay a State poll tax without an amendment to Section 12 of Article 13 of the Constitution. In the adoption of such an amendment as will require the women to pay a State poll tax the women will now have the right themselves to vote on such an amendment and if such an amendment is adopted it necessarily must be done with their consent.—Press Democrat.

Dr. Lawton is Released

Dr. C. W. Lawton walked out of the cell in the county jail on Saturday afternoon, his cousin, Stanley Rutledge, of Los Angeles, having paid his ransom in \$1,000 cash bail bond, demanded by Justice A. J. Atchinson. He left Santa Rosa in the afternoon and it is understood accompanied his relative to Los Angeles. He will later appear for preliminary examination on the charge of arson.

According to Mr. Rutledge this is the first serious trouble Dr. Lawton has been in before. Nothing like this would have been dreamed of, he said. He said further it seemed almost impossible that such a thing as Dr. Lawton committing arson could be true. He was acquainted with the nature of the evidence in the possession of the officers. Rutledge resides in Los Angeles county, and appears to be a man of standing and wealth. It is understood that Lawton has other relatives residing in Los Angeles county.

Has a Past Record

Charles Guidi, of Kenwood, has been arrested by W. J. Orr, constable of Cloverdale, for selling liquor without a license.

Guidi has a past record. While in Ukiah he conducted a place a few miles out of that place.

At Fort Bragg he had his license taken away from him for selling liquor to Indians. His license was also revoked in Mendocino county.

Constable John Pemberton went to Kenwood and arrested the man.

Burke Case Continued

The appeal on behalf of Dr. Willard P. Burke, which was to have been heard by the Appellate Court on Monday, was continued. The brief of the prosecution was not completed on time to have it filed for hearing the case. A new date will be chosen shortly.

William A. Lewis, a bodyguard of Abraham Lincoln during the Civil War and a policeman at the White House with a doorkeeper's duties for thirty-five years, died at Washington. He was 85 years old.

Finds Body of Wife in Gas-Filled Room

Mrs. Minerva Belle Leppo, wife of Frank Leppo, of the Leppo Realty Company, committed suicide by asphyxiation at her home on Saturday.

Harrison Leppo, son of Dr. and Mrs. Harry Leppo, raised the alarm when he went to the Leppo residence with a message and failing to find his aunt, told her mother. Mrs. Leppo found the front door open, and smelling gas, summoned Frank Leppo and another brother-in-law, Attorney J. R. Leppo.

When Frank Leppo entered the house the gas fumes were suffocating. He made his way to the kitchen and burst into the room where he found the lifeless form of his wife.

Dr. Bogle was called, but nothing could be done.

The doors and windows of the kitchen were all closed and gas was flowing from the kitchen range.

Mrs. Leppo had been despondent for some time. She was the granddaughter of Thomas Hopper, pioneer and former president of the Santa Rosa Bank, and he gave her considerable property some years ago.

She was married twelve years ago. Mrs. Leppo took a great deal of interest in club and social affairs.

Leppo expected his wife at his office on business and when she did not come he telephoned to the Harry Leppo residence asking that a message be sent to his home. Then the suicide was discovered.

Grand Jury to Investigate

The grand jury of Sonoma county will take up the matter of investigating the writing of anonymous letters when it convenes for a session next Tuesday. The black-hearted individual who has been doing this nefarious work will be sought out and punished for the same.

Henry D. Noonan, who is secretary of the grand jury, was a member of the coroner's jury Monday morning which listened to the narrative of how Mrs. Frank Leppo was rendered despondent by the receipt of anonymous letters. He told his fellow jurors then that he had heard of two residents of Santa Rosa who had received these anonymous letters and that a comparison of the handwriting showed them to have come from the same person.

Later Mr. Noonan announced that he would take the matter up with the grand jury and have them investigate the case and seek the writer. A private detective will be employed and the services of handwriting experts will be secured to ferret out the perpetrator of the nefarious work. District Attorney Lea will direct the work of the detectives and the experts, and will see that the guilty parties are punished for their cowardly work.—Santa Rosa Republican.

Woman's Club Notes

Last Friday afternoon the Woman's Club had the pleasure of listening to addresses by the San Francisco District President, Mrs. A. P. Black, on General Federation Work and the Coming Biennial Convention of the National Federation to be held in San Francisco next June. At that time 3000 women from all parts of the United States will spend to days in earnest consideration of the many phases of public improvements in which women are now actively engaged, all these improvements being along lines which vitally affect the lives and well being of women and still more especially of children.

The music for the afternoon consisted of some charming songs by Miss Kelly and Miss Waterman. Tea was served, and later a short session was held for the transaction of a little necessary business. Mrs. Appleton was appointed delegate to the coming District meeting in San Mateo, with Mrs. Burlingame as alternate. The next meeting of the club will be held Nov. 3, when the purchase of a lot will be the main topic of discussion.

Mrs. Sophia Albrecht

The many friends of Mrs. Sophia Albrecht were shocked to hear the sad news of her death, which occurred in Watertown, Ill., on Oct. 13, at 10 a. m.

Her illness was of about two weeks duration and she passed away in the Moline Hospital, where she had been taken. Typhoid fever was given as the cause of her demise.

She leaves a sorrowing husband, Joseph Albrecht, and six children, Unice, Addie, Irene, George, Vera and Dora to mourn their loss, besides a score of relatives in the east and many friends here and elsewhere.

Mr. and Mrs. Albrecht lived at Shellville, in this valley, for about eight years, and while there made many friends.

Some two years ago they moved to Illinois, where they have lived since.

From Sonoma Valley the surviving ones in the far distant land receive our most heartfelt sympathies over the loss of their mother—the best friend and closest companion a person ever had.

Some idea of the difference between a State government run for the benefit of the taxpayers, and one for the benefit of a chosen few, can be obtained from a comparison of the prices paid for supplies under present conditions and those that formerly prevailed. In forty items covering all the supplies just purchased by Superintendent Radcliff where comparative figures are available, the total of the purchases is \$2,126.17. At the prices formerly paid these supplies would have cost \$4,137.78, or \$2,008.61 more out of the pockets of the people.

When is Woman a Voter Now?

There has been considerable discussion in Santa Rosa as well as in different parts of the state since the Woman's Suffrage Amendment carried regarding the naturalization of women. The County Clerk of Sacramento sent to headquarters for information and the Sacramento Union of Wednesday morning has this to say regarding the result of his investigation:

While there has been little doubt among local legal lights who have examined into the matter that marriage of a foreign-born woman with an American vested her with the rights for citizenship, and that marriage of an American woman with a citizen of a foreign country makes her a citizen and subject of the country to which her husband belongs, County Clerk Plaud, in review of the fact that woman's suffrage is now a fact in California, wrote to the naturalization bureau, department of commerce and labor at Washington, D. C., for instructions. These he received Wednesday with a copy of the law governing.

The law seems to be very clear—unusually so, for law. The foreign-born woman who comes to this country and immediately marries an American, becomes a citizen of the United States by virtue of her marriage, and in California is presumed to be in a position to register and vote. On the other hand the American woman who by ill luck marries a foreigner, who has never been naturalized, is a citizen of the country to which her husband owes allegiance and neither he nor she may vote.

Time to Pay Taxes

From the present date until the last Monday in April, 1912, inclusive, County Tax Collector F. M. Collins will continuously collect taxes for the fiscal year 1911-12 at the court house, Santa Rosa.

Collections began October 9 on the first installment, and these will run until 6 o'clock Monday, November 27, after which time unpaid taxes in the first installment will become delinquent, and to these delinquencies 15 per cent will be added.

The second installment becomes delinquent by 6 o'clock p. m. of the last Monday in April of next year, and after that time 5 per cent will be added to all delinquent tax bills, together with 5 per cent additional to the delinquent first installments that still remain on the books.

City taxes are also now due and payable and will be delinquent on and after Monday, November 20, at 5 p. m. Marshall Albertson has the city tax rolls at his office in the City Hall.

A Card of Thanks

We wish to express our thanks to the Sonoma Valley Band, Tony Parente and the friends who so kindly contributed to the benefit given in my behalf on October 7th.

L. H. JOHNSON AND FAMILY.

Will Unveil Bell Sunday

The different orders of Native Sons of the Golden West have taken up the work of the Woman's Club and are placing along the El Camino Real bell sign posts at all cross roads and corners within each parlor's jurisdiction. The local lodge, Bear Flag Parlor No. 111, on next Sunday will entertain the grand officers of the order, and at 2 o'clock will assemble at the red tank on Broadway and unveil a bell sign post erected by the parlor at the junction of Broadway and the Petaluma road.

Past Grand President Byington, of San Francisco, will deliver the oration for the day, and it is expected that Judge Emmet Seawell, Grand Trustee, will also be present. Fredrick Duhring will act as president of the day. Mrs. Emparan has promised to sing, and Father Conermford will offer prayer.

The work of marking the El Camino Real has been taken up quite extensively in the southern part of the state, not only by the Woman's Clubs, but by all the different societies that are interested in the preservation of historical landmarks. We understand that this is only the commencement of the work by the local parlor, and that in the near future they will erect another in the vicinity of the Cooper bridge.

The Petaluma Parlor will be called upon to complete the line by setting up the sign posts throughout their district and it is hoped that soon a complete line of these bells will mark the route of the El Camino Real from San Diego to Sonoma. The entire public is invited to attend the ceremony and witness the unveiling.

Good Roads Meeting

Monday afternoon the property holders of Agua Caliente and surrounding road districts met at Flowerly district school at Agua Caliente to discuss ways and means to repair the county roads in this section, especially those that make up the highway between Sonoma and Santa Rosa. The meeting was called to order at 3:30 o'clock by F. Duhring, who stated the purpose of the meeting.

He called upon Supervisor Hart, who informed the assembled taxpayers what the assessed valuation of the district was, and what could be expected to be appropriated for the road fund. Among other things he stated that there was nearly thirty miles of road in the district, and that there could not be over \$2000 available for the keeping up and making repairs on bridges, culverts, etc. Mr. Hart's remarks did not bring much comfort to the promoters of the good road's movement, as all could see that there was a probability of there being a deficit in the road fund instead of a surplus for making better roads.

Messrs. Duhring, Stiger, Dr. Parramore and others addressed the meeting and discussed the best way to make the desired improvements, as there would be no county funds available before the 1st of January and it was desirable that the roads be repaired at once. It was suggested that the new county rock crusher be brought over, but it was pronounced impractical with the limited means at hand.

Another suggestion that seemed to meet with great favor was that owners of teams in the district donate one or more days work, and those that did not own teams to either donate labor or cash enough to offset the work done by the teams. The money thus raised could be used to hire more men and teams.

After much discussion about road taxes and permanent roads of crushed rock and the like, it was finally decided to appoint a committee to solicit subscriptions of money, teams and men for the purpose of hauling gravel at once where it was most needed.

The members of the committee appointed are Dr. Parramore, Dr. Thompson, J. M. Allison, J. K. Bigelow, W. J. Kearney and F. M. Cottle. They are to report at a meeting to be held in the City Hall at Sonoma on October 27.

When time of adjournment came all were convinced that something should be done to fix up the road right away, as the stretch of road-way between here and Santa Rosa is in very poor condition, and it is hoped much good will result from the meeting.

A marriage license was issued Monday in San Francisco to Samuel Ginotti, aged 30, and Emma Rovero, aged 25; both of Kenwood.

Men's League Report

The mid-month meeting of the Men's League was held in Castagnasso Hall on last Tuesday evening, and after electing Mr. B. Painter secretary and the transacting of some important matters, the league proceeded to consider the discursive topic selected for the occasion, namely various means of fire protection. Principal among these was the report of the committee, consisting of G. W. Reed, W. F. Clewe and F. T. Duhring, which had been appointed early in the summer to study out some method of reducing insurance rates without waiting until the municipality had installed a new fire fighting plant.

The committee reported that after corresponding with the Insurance Union, and conferring with L. L. Lewis and the City Trustees that they had drawn up an agreement that seemed to suit all parties interested, which briefly summarized is as follows:

Mr. Lewis agrees to so perfect his system so that it will meet all requirements of the insurance people, giving a pressure of 60 pounds for domestic purposes, and increasing the same to 100 pounds on the alarm of fire.

The city is to furnish 700 feet additional of standard fire hose and another cart.

Both of the above having been complied with, the insurance people promise a reduction of 20 to 25 per cent on frame buildings and 10 to 15 on brick buildings situated within 300 feet of any hydrant attached to the Lewis System.

In consideration of providing the above described, the property holders within the protected district are to agree to pay Mr. Lewis one-half of the insurance saved.

The report received the hearty commendation of all members present, after which the meeting adjourned.

Rise in Eggs

Wednesday was a day of surprise to the poultrymen, when the egg market jumped three cents. The San Francisco prices being 53 cents, and in Sonoma 52 cents. Santa Rosa market quotations were 51 cents, while Petaluma offered 52 cents for firsts, a raise of 5 cents in the latter market.

San Francisco quotations on the same day for selected pullets was 39 cents; in Petaluma 36; and Santa Rosa 37 cents.

This is the highest price paid this year for eggs, and those that have eggs to market are consequently in high feather. The cause of the sudden raise, which is considered permanent, is that the hens all over the state are in moult, and consequently not laying. The high prices will give the cold storage men a market for their holdings.

Prices for eggs this season has been ranging from 3 to 4 cents lower than last year until this raise occurred, while feed has been somewhat higher, but the local poultrymen expect from now on, the margin between the cost of production and marketing will steadily widen.

Literary Program and Social

On Wednesday evening, November 1, the regular meeting of the board of directors of the Congregational church will be held, and after a brief business session a musical, literary and social program will be rendered to which all members of the church and their friends are cordially invited.

Following is the program: Invocation.....Rev. Robert's Sacred Solo.....Henrietta Weber Violin Solo.....Frank Keolle Solo—When the Blue Birds Come In June.....Clayde Simmons Dialect Reading.....Marjorie Buchanan Solo.....Mrs. Emparan Postlude.....Mrs. Bateman Refreshments will be served. No charges. Everybody welcome.

Alleged Bunco Men Arrested

Two bunco men were arrested near Glen Ellen on Monday night by Sheriff Smith, Chief of Police, John M. Boyes and Deputy Chris Reynolds, and will be held in the county jail pending the arrival of officers with requisition papers from Seattle, Wash.

They will be taken to Seattle to face a trial on a charge of having buncoed a farmer there out of \$6,500 by the "tin box change," similar methods employed by them in mulcting a Riverside rancher out of \$4,000.

The officers say there is no doubt but that they are the men wanted. One of the men is an Italian and the other is a Frenchman.

"The Model Wife"

Beautifully staged, this jolly comedy will be well put on at Union Hall next Friday evening by a number of Sonoma young folks. The story deals with the unique love affair of a popular young artist, and the odd situations are very cleverly worked out. The cast will be as follows:

THE MODEL WIFE
Mr. Arthur Everett.....Walter Burdette
Mr. Robert Peters.....Ralph Hotz
Mr. John H. Potts.....Dr. A. J. Bateman
Miss Mae Peterson.....Miss Irene Robins
Mrs. McLeod-Weiss.....Mrs. J. A. McElroy
Miss Edna Perry.....Mrs. J. A. Kinsella
Miss Ella Potts.....Miss Marie Clewe
Miss Billy Potts.....Miss Pauline McCallin
Miss Ida Waterman.....Miss Ida Waterman
Mrs. S. H. Haven
Stage Director, G. J. K. Bigelow.

Dancing will follow the play, while the ladies of St. Barbara's Guild will sell ice cream and candies, coffee, jellies and preserves, pickles and Christmas fancy work. The choir boys will conduct a jolly country store.

Admission 50 cents.

Incubation Success

Some wonderful discoveries have been recently made in this field, the most important being a new regulator for automatically controlling Heat, Moisture and Ventilation.

The Geo. H. Lee Company of 225 West 2nd St., Los Angeles, Cal., has just published a new incubator book that covers all of these new ideas fully, and which will be sent free to any person interested on request.

Chinese Divorces American Wife

For the first time in the history of Alameda county, a Chinese was granted a divorce from his American wife on October 24. The case was brought against Corliff Wong, who were married three years ago, and in his complaint Wong charged that after living with him only a few days she ran away with another Chinese. An interlocutory decree on the ground of willful desertion was granted by Judge William H. Waste.

of our footwear always desired.

There is a distinctive air of refinement and elegance found in our Ladies' Dress Shoes. Well dressed women probably pay more attention to their footwear than any one article of dress. On the shoe primarily depends smartness of appearance. On this principle our shoes are made. Our Gentlemen's Shoes are second to none. A good judge of values will easily declare our store the most economical place to buy. See our window when in town.

The Press Democrat of Wednesday morning says: "Contractor P. Maroni has begun the construction of a stone bridge on the Petaluma road two miles out from Sebastopol for Supervisor Lyman Green. The structure is to have an 18 foot span and will be built of the Stony Point stone. The bridge will be one of the best in the county when completed, and will be permanent with out costs for repairs." This bridge was designed by Mr. S. Sherer of Sonoma, and the above is a compliment he should be proud of.

On October 13 Mrs. George Breitenbach registered as a voter. She is the first woman to take advantage of the new law in Sonoma, and we believe the first woman to register in the county. As there is no election in the county this fall, and as the names on the great register will be canceled the first of the year no one is in a great rush to register.

A postal from John Wagoner, who is in Santa Barbara as a delegate to the convention of Municipalities of California, states that the convention has been very interesting and instructive, and that there were over fifty women delegates in attendance, mostly from the southern part of the state. The league will hold its next meeting in Berkeley.

Work of filling in the north side of the plaza is progressing steadily. The adobe and debris from the Birberini and Garibaldi hotel buildings have nearly all been removed and used to fill in the low places in this side of the plaza, and places that will not be used as roadways is to have a top dressing of soil.

Work of blasting down the ruins of the Poppe building was commenced Thursday afternoon, and the ground will be cleared as rapidly as possible for the new structure that Robert A. Poppe will have erected on the site. The work of clearing the ground is in charge of Louis Breitenbach.

There was a large attendance at the masquerade ball given by Mr. and Mrs. Morris Levy last Saturday evening. The dancers came from all of the surrounding towns and resorts in the valley as well as from Santa Rosa. The Berry orchestra, furnished fine music and the costumes were richer than usually found at affairs of the nature of this one, so far from the cities. A fine supper was served and it was late—early—when the guests departed.

Northern California Cadet Notes

At our meeting last Friday night Edgar Clements, Geo. Carpenter, Willie Peterson, Al. Warner, J. F. Prestwood and P. H. Nordstrom were voted into the Cadets. The new members will greatly help to strengthen our band and basketball teams.

Arthur Fisk, our basketball manager, has arranged to play the Fremont school of Santa Rosa tonight. A very fast game is expected, as the fans know the Cadets are a fast bunch. Everybody come to help a good cause.

C. Von Heuch was down from Santa Rosa Sunday to see Arthur Fisk about the basketball game tonight.

There will be no Cadet joshes for this week, as the Cadets are thinking too seriously of tonight's game to joke.

The line up for tonight's game will be: Forwards, (Capt.) Canevari and Anselmi; center, Cooper; guards (Mgr.) Fisk and Clements.

Blanche M. Stetson

The death of Blanche M. Stetson occurred in El Verano on Monday last.

She was a native of Mount Clemens, Michigan, and left this world at the age of 51 years.

In this valley she is survived by one sister and many friends.

The funeral services were held Tuesday and the remains interred in the Catholic Cemetery.

To Ride Over El Camino Real

The State Highway Commission, which consists of Burton A. Towne, chairman, Charles D. Blaney and N. D. Darlington, passed through Sonoma county on Tuesday. They were joined by County surveyor Thomas B. McNamara at Petaluma and he made the trip with the commission.

Others in the party were the engineers of the commissions, Austin B. Fletcher, and their secretary, Wilson R. Ellis.

The commission went through Sonoma county from the south line to the north line, and then from Santa Rosa to Sonoma. They investigated the matter of the proposed El Camino Real, for which \$18,000,000 has been voted by the people of the state. Sonoma was on the El Camino Real in the early days.

The Mayor and Common Council of the City of Sonoma, and also all other persons unknown, claim any right, title, estate, lien or interest in the real property described in the complaint adverse to Plaintiff's ownership or any cloud upon Plaintiff's title thereto, Defendants.

This action is brought in the Superior Court in and for the County of Sonoma, State of California, and the complaint in said action is filed in the office of the County Clerk of said County, who is Ex-Officio Clerk of said Court. The People of the State of California send greetings to W. P. Ewing, William Ellis, John J. Ellis, Major Hiram Leonard, William B. Atterbury, Frederick Keller, Nanny L. Lawrence, Horace Bigelow, Samuel T. Moore, Robert Moore, T. H. Baines, administrator With the will annexed of the estate of George Spence, deceased. The Mayor and Common Council of the City of Sonoma and also all other persons unknown, claim any right, title, estate, lien or interest in the real property described in the complaint adverse to Plaintiff's ownership or any cloud upon the plaintiff's title thereto, Defendants.

The plaintiff above named, has brought an action against each of you, in the Superior Court in and for the County of Sonoma, State of California, entitled as above, and has filed the complaint in said action in the office of the County Clerk of said County, who is ex-officio Clerk of said Court, and you are, and each of you is, hereby directed to appear and answer the complaint in said action within ten days after the service on you of this summons—if served within said County; and if served elsewhere and with said County, then within thirty days after service of same upon you.

And you are hereby notified that unless you so appear and answer as above required, said Plaintiff will take judgment for any money or damages demanded in the complaint, as arising upon contract, or she will apply to the Court for any other relief demanded in the complaint.

The real property affected by said action is all that certain lot, piece or piece of land, being Lots 307, 308, 225 and 226, in the former Pueblo of Sonoma as the same are known, numbered and designated on the official map thereof, now of record in said County of Sonoma.

Also all of the street on the West side of said tract, also the south half of the street on the North of said tract; also so much of the street on the East of said tract as is now enclosed by fence.

The object of said action is as follows: 1. To oblige the said Defendants to set forth the nature of their claims in and to said lands. 2. To obtain a decree of said Court whereby all claims of said Defendants, all and singular in and to said lands, adverse to the said Plaintiff's ownership thereof, shall be determined.

3. To obtain a decree of said Court declaring and adjudging that said Plaintiff is the owner in fee, simple of said lands, and that said Defendants and singular, have no estate in or to said lands, or any part thereof hereof. 4. To have said Defendants and singular by said Court, forever enjoined and debarred from asserting any claim whatever in or to said lands, adverse to said plaintiff.

5. To obtain an award and allowance by said Court to said Plaintiff of her costs in said action and to obtain such other relief as in the premises shall be found to be due.

Given under my hand and the seal of the Superior Court in and for the County of Sonoma, State of California, this 15th day of June, A. D. 1911.

GOLD

Was produced in Amador county, California, during the year 1909, according to the latest Government report. The DANE MITCHELL GOLD MINE is ready to add to this enormous output.

This mine, located one mile north of Pine Grove, Amador county, in the heart of one of the oldest and greatest gold-producing districts in the great Gold State of California. We have already spent \$5,000,000 of our money on this mine before offering the public to invest.

We need \$30,000.00 more to build a cyanide plant and complete our mill. To raise this money we offer 60,000 shares of the capital stock at 50 cents, par value \$1.00 per share.

This is a low figure, as our entire capitalization is only \$250,000.00.

Our property will stand the closest investigation, and we offer you a

How Nature Provides.

OUR BEAUTY, HEALTH AND HAPPINESS.

Is it not possible if not probable that elements necessary for the body-health are contained in the native medicinal roots found in the earth, digested in the plant laboratory of nature and made ready for man or animal?

The medicinal virtues of many American plants and roots were known to the early Indians. Thus a root known to modern physicians as Caydonium or Blue Cohosh was known to the Indians as "Squaw root." Another, known to the Indians as "Rattleweed root," is used in modern medicine as "Cimicifuga."

Prof. King's American Dispensary, an authority in these matters, says: "Our Indians set a high value on Rattleweed root (Black Cohosh) in diseases of women. It is surpassed by no other drug in constipating conditions of the parts where there are dragging pains and tenderness."

After many years of study and experiment, Dr. Pierce, the medical director of the "Invaline" Hotel and Surgical Institute, at Buffalo, N. Y., put up a prescription of his own, containing the non-alcoholic, glyceric extracts of the two above mentioned ingredients, together with Golden Seal root, Lady's Slipper root and Unicorn root. Thus, there is no mystery in the make-up of this famous "Prescription." The use of alcohol is

entirely avoided in its manufacture, because it is a glyceric body, and to preserve the medicinal properties even under the most favorable conditions.

Learn the Truth. The one medicine for the cure of woman's peculiar weaknesses and ailments, the ingredients of which are printed on the wrapper of every bottle leaving the great laboratory in Buffalo, N. Y., where it is made, is called **DR. PIERCE'S FAVORITE PRESCRIPTION.**

It Stands Alone not only in respect to its ingredients, but also as the only specific advertised remedy for woman's diseases which absolutely contains NO ALCOHOL.

It Stands Alone as the one medicine for women, the makers of which take their patients fully into their confidence and tell them exactly what they are taking. This Dr. Pierce can afford to do, because his "FAVORITE PRESCRIPTION" is made of such ingredients and after a working formula that has thousands of cures to its credit, placing its merits above criticism.

It Stands Alone as Nature's cure for the diseases peculiar to women because the earth supplies the vegetable ingredients.

Mrs. Mary J. Board (Trained Nurse, Washington Hospital, of 1305 9th Street, N. W., Washington, D. C., writes:

"I felt badly for four years, had terrible pains at times and was often unable to be about attending to my duties; appetite was poor and sleep fitful. Tried to cure myself in various ways without success, but finally my attention was called to Doctor Pierce's Favorite Prescription and decided to try it. Am certainly glad that I did for I began to improve with the first bottle, and gradually became better until I was entirely cured of the old trouble. Am well and can enjoy life once more."

Dr. Pierce's Good temper is largely a matter of health, and good health is largely a matter of healthy activity of the bowels. Dr. Pierce's Pleasant Pellets cure constipation. They are safe, sure and speedy and once taken do not have to be taken always. One little "Pellet" is a gentle laxative, and two a mild cathartic. They never gripe. By all druggists.

MADE MATTERS WORSE.

Her Effort to Correct Her Error About Charles and Mary Lamb.

Charles Lamb, the beloved Ella of the essays, wrote both tragedies and comedies, but was not a successful playwright. When his plays, "Mr. H." was produced at the Theatre Royal, the actor it failed conspicuously, and the genial author, who was in the audience, himself joined with companionship in hissing it.

It is, indeed, an airy trifle, too slight in texture for the professional stage, but it has proved a charming play for amateurs. At a recent performance by a college dramatic society, a whole dialogue took place between two ladies in the audience which would certainly have delighted Lamb himself could he have heard it.

"Mr. H.," a farce in two acts by Charles Lamb," read one of them from her program. "Do you know, I had quite forgotten that Lamb was a dramatic author."

"Oh, my dear," exclaimed her neighbor, with a superior smile, "of course he was! Surely you must remember that he and his sister collaborated with Shakespeare."

"Collaborated with Shakespeare?" exclaimed the first speaker, startled out of her politeness. "Ridiculous! What could have put such an idea in your head?"

"Oh, you must be thinking of the 'Tales From Shakespeare' by Charles and Mary Lamb."

There was mirth in her voice, and the superior person, flushing, perceived that she and her sister collaborated with Shakespeare.

"I did not mean collaborated with him, of course," she explained loftily. "That was merely a slip of the tongue. I meant translated him."—Yonah's Complaint.

The transformation.

They sat hand in hand on the yellow sands, in the shelter of a bowlder, watching the fleecy wavelets creep timorously shoreward.

"Frankie," she sighed, "say I'm oos leekle petrie once more."

"Oo's my leekle petrie, blessums leekle heart," came from the youth in the puce socks.

Up to the blue heavens rose a fat guffaw from the other side of the bowlder.

"Leekle petrie! Leekle petrie!" chuckled a corpulent gentleman with a four day stubble growth.

"Go it, Frankie! You ain't art done yet. Eight years ago!"

"Eight years ago?" interrupted a shrill voice from the cliffs above. "You ain't got no little sense you 'ave got away if you ain't careful. Thought you was goin' to get some whelks for tea?"

"Eight years ago, Frankie," continued the stout gentleman, mournfully jerking his thumb cliffward, "she was my leekle petrie!"—London Tit-Bits.

Florence Nightingale.

There is a story that after the return to England of the troops from the Crimea Lord Stratford at a dinner suggested that those present should write on a piece of paper the name of the person whose Crimean reputation would endure longest. When the votes came to be examined it was found that not a single soldier had received a vote. Every paper bore the same two words—Florence Nightingale.

The "Lady With the Lamp" used to relate the following story: "Calling one day on one of her humble neighbors, she was surprised to see the usually tidy cottage in a state of great disorder. 'Why, Mrs. —,' said Miss Nightingale, 'what is wrong with you? I never saw your home looking like this.' 'Beg your pardon, miss,' said the abashed woman, 'but you see, I am expecting the visiting lady, and if she sees my place looking clean and tidy she'd think I didn't need no help.'"

HONORS AND WORTH.

Absurdity of Titles That Descend From a Father to Son.

When you find a man a most excellent runner, poet, surgeon or mariner, you give him in due respect for his skill. If he is very eminent, his occupation esteemed and you chance to be some ruling power, he may receive a title. You do not confer this title because of his grandmother, and you do not make the title into a duchy or indeed pay her any particular attention. This omission does not reflect discredit on the grandmother. It is obvious to her mind that to make her a peeress because she is, but some one else, has done something "good" would be as absurd as giving her twelve months' hard labor if he had done something otherwise.

Still less rational would it be to make the man's son a duke. The old man has given the world this grandson. Perhaps she is in a measure the cause of his greatness, just as she might be to a certain extent responsible were he a criminal. But the son of the man did not make his father. He is not to be more greatly praised for what his father has done than for what William the Conqueror did.

The world seldom or never gives a man a title because his father earned one, but it does an equally silly thing when it allows a son to inherit such an "honor," says Home Notes.

Until a man can transmit merit it is absurd to allow him to transmit a testimonial as to merit. And, if there be no pretense of claim to exception; worth, what solid reason can be advanced for a man receiving a designation that commands deference?

Virtue alone outbuilds the pyramids; her monuments shall last when Egypt's fall.—Young.

Tokay grapes are being packed in redwood sawdust and placed in storage at one of the packing houses at Lodi. The work is being done under the direction of an expert of the United States Agricultural Department. It is believed the grapes will be kept fresh to be offered in the Christmas holiday market in the eastern cities. Heretofore cork or pine sawdust has been used for packing, but the cork was too expensive and the pine imparted a disagreeable odor to the fruit.

Foley Kidney Pills

Supply just the ingredients needed to build up, strengthen and restore the natural action of the kidneys and bladder. Specially prepared for backache, headache, nervousness, rheumatism and all kidney, bladder and urinary irregularities. James McElney's Model Pharmacy.

The United States Government is spending about \$2000 a month in San Joaquin county in exterminating squirrels, which are credited with causing a loss of about \$10,000,000 annually to the farmers of California.

Is the World Growing Better?

Many things go to prove that it is. The way thousands are trying to help others is proof. Among them is Mrs. W. W. Gould, of Pittsfield, N. H. Finding good health by taking Electric Bitters, she now advises other sufferers everywhere to take them. "For years I suffered with stomach and kidney trouble," she writes. "Every medicine I used failed till I took Electric Bitters. But this great remedy helped me wonderfully." They'll help any woman. They're the best tonic and finest liver and kidney remedy that's made. Try them. You'll see 50c at all dealers.

A school for training horticulturists is to be established in the Lewiston-Clarkston valley, Idaho, according to the "Pacific Homestead." The instruction is to be pre-eminently practical, and the work will be carried on in the orchards of that section. Specialists have been selected to serve as instructors, and courses will be given in the most approved methods of growing, handling and marketing horticultural crops.

It's Equal Don't Exist

No one has ever made a salve, ointment or balm to compare with Arnica Salve. It's the one perfect healer of Cuts, Corns, Burns, Bruises, Sores, Scalds, Boils, Ulcers, Eczema, Salt Rheum. For Sore Eyes, Cuts, Sores, Chapped Hands or Sprains its supreme. Only 25c at all dealers.

Katie Argenta, an immigrant on her way to California, lost a \$20 bill as her train whizzed through the village of Adams Mills, O. The bill blew through a window. Train officials notified the station east of Trinway and the station agent telephoned to Adams Mills, asking that search be made. The money was found and the agent wired Columbus. Katie finding her money waiting for her when she reached Columbus, declared "America is a wonderful country."

James C. Dahlman "Cowboy" Mayor of Omaha, Throws the Lariat.

Mayor Jas. C. Dahlman started his career as a cowboy, is at present Mayor of Omaha, and has the following record. Sheriff of Dawes Co. Neb. three terms. Mayor of Chadron, two terms; Democratic Nat'l Committeeman, eight years; Mayor of Omaha, six years, and 1910 candidate for Governor of Nebraska. W. H. Chism of Sutter county is using a power machine in his sheep shearing this fall. The machine is run by gasoline and keeps eight clippers going. With it about 1000 sheep can be handled per day with as good or better results than with hand shearing. Other large sheepmen are also using machines of various kinds instead of hand shears.

Averts Awful Tragedy

Timely advice given Mrs. C. Willoughby, of Marengo, Wis., R. No. 1, prevented a dreadful tragedy and saved two lives. Doctors had said her frightful cough was a "consumption" cough and could do little to help her. After many remedies failed, her aunt urged her to take Dr. King's New Discovery. "I have been using it for some time," she wrote "and the awful cough has almost gone. It also saved my little boy when taken with a severe bronchial trouble." This matchless medicine has no equal for throat and lung troubles. Price 50c and \$1.00. Trial bottle free. Guaranteed by all dealers.

Peaches weighing three-quarters of a pound each have been shown in the Gold Hill market. They came from Sam's Valley orchards, and the varieties are Muir and Chairs Choice.

Gives Aid to Strikers

Sometimes liver, kidney and bowels seem to go on a strike and refuse to work right. Then you need those pleasant little strike-breakers—Dr. King's New Life Pills—to give them natural aid and gently compel proper action. Excellent health soon follows. Try them. 25c at all dealers.

Instead of totaling 750,000 cases, the first estimate, the pack of pink salmon on Puget Sound this season is now expected to touch 90,000 cases, or double the pack of the best previous season. The next largest pack was in 1909, when the Sound pack was 448,730 cases. Almost the entire catch has been sold.

A Medicine that Gives Confidence

Is Foley's Honey and Tar Compound Mrs. T. J. Adams, 522 No. Kansas Ave., Columbus, Kas., writes: "For a number of years my children have been subject to coughs and colds. I used Foley's Honey and Tar Compound and found that it cured their coughs and colds, so I keep it in the house all the time." Refuse substitutes. Jas. McElney's Model Pharmacy.

Two acres of peanuts, \$200 a year. This is the result which has been obtained by Harold Trumbull, an 18-year-old farmer near Bakersfield, who put in his first crop of peanuts the past year and realized \$200 on them. And now the boy is going to put in ten acres; that is, if he can persuade his father to provide him the ground.

Take Your Common Colds Seriously

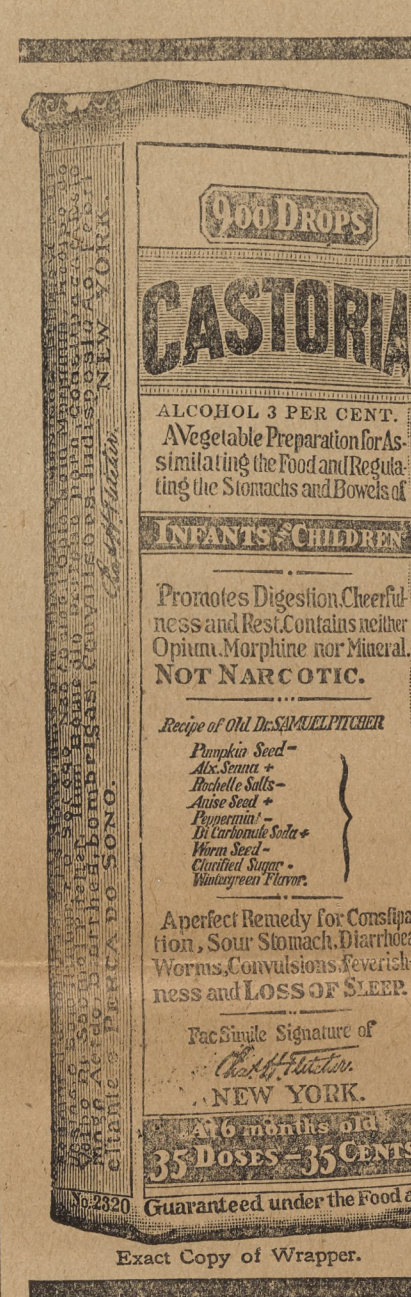

Common colds, severe and frequent, lay the foundation of chronic diseased conditions of the nose and throat, and may develop in bronchitis, pneumonia, and consumption. For all coughs and colds in children and grown persons, take Foley's Honey and Tar Compound promptly. Jas. McElney's Model Pharmacy.

The boys of Minneapolis killed 3,028,575 flies during a "swatting" contest lasting two weeks. If the crusade had been extended to include the elimination of filth in which the disease spreading pests breed, much more good would have been accomplished.

Foley's Kidney Remedy vs. a Hopeless Case.

Hon. Ark. J. E. Freeman says: "I had a severe case of kidney trouble and could not work and my case seemed hopeless. One large bottle of Foley's Kidney Remedy cured me and I have never been bothered since. I always recommend it." James McElney's Model Pharmacy.

The Llama With a Saddle.

In his native country the llama is trained as a beast of burden, and in this capacity is very useful for hard and wiry by nature, he can carry as much as a 160 pounds. As a mount, too, he is quite easy to train. Indeed, both the llama and the oncho take to the saddle as to the manner born when once they have assured themselves that their teacher wishes them well. Their most striking peculiarity as saddle animals, however, is a strong objection to having their heads in any way pulled about by their riders. So long as their mouths are left alone they will amble along quite contentedly at a fair rate of speed, but if they are ridden by some one with a heavy hand they show a tendency to stop at once, whipping round in a manner distinctly disconcerting to those who do not quite realize what is going to happen.—Wide World Magazine.

The bankruptcy court can boast some delightfully naive repliers. "How, sir, is it possible," angrily demanded the opposing counsel of the bankrupt, "to live in the luxurious style you have affected on \$200 a year?" The witness replied, with an air of justifiable pride, that "was a problem to which he had devoted considerable time in the interests of social economy, and the results of his humble efforts were now before the court."

Suggestive.

"Gee whizz!" said George for the twentieth time. "It makes me mad every time I think of the \$10 I lost today. I actually feel as if I'd like to have somebody kick me."

"By the way, George," said the dear girl dreamily, "don't you think you'd better speak to father this evening?"—Philadelphia Press.

Suspicious.

"Some men are so suspicious," said the pessimist, "that if they went into the organ grinding business they would compel all the monkeys to carry little cash registers."—Philadelphia Bulletin.
